BROOKLANDS CARE HOME

Dear friends,

With a fresh new season upon us, our home is bursting with brightness and vibrancy! Take a glimpse into our delightful spring escapades in our latest newsletter.

Little Quackers

We have recently welcomed some new guests into our home...a flock of six fluffy ducklings! Our residents have absolutely loved having them around, enjoying cuddles and caring for the hatchlings. The cute little ducklings reached a big milestone recently when they enjoyed their first swim, which they thoroughly enjoyed! After their swim, the ducks had some cuddles from our residents to warm up. We've loved having them around and watching them grow.

A Hoppy Easter!

Easter is always a wonderful time of year for us. Back in April, our residents enjoyed decorating Easter bonnets for the celebrations. The Easter Bunny joined us to hand out chocolate eggs to the residents, and everyone had fun with some baking, with residents helping to make special chocolate nest cakes, which were very much enjoyed by all! A big thank you to our team who went above and beyond to make it an egg-cellent Easter for everyone.

Mum's the word

We were delighted to celebrate Mother's Day in style and made a fuss of all our lovely ladies on their special day. They were all gifted flowers, chocolates, and a Mother's Day blessing, as well as a special dinner to say a big thank you for everything they do. It was a day full of happiness and lots of smiles from everyone as we celebrated all the mums in the world.

Cooking up a storm

We recently said goodbye and good luck to our much-loved head chef Linda, whose wonderful cooking will be missed by us all. We surprised Linda with a small but special retirement party, where the team and residents alike wished her a very restful and fun retirement. The wonderful Sunshine Ukulele's stayed true to their name and not only entertained our residents with a great variety of songs, but they brought the sunshine with them too! And a warm Brooklands welcome to our new chef Ian, who is highly experienced and is looking forward to being part of the team.

With love,
Helen Jackson
